Priority Date: 30 June 2003  
Attorney Docket No.: 30-580  
For: METHOD FOR TREATING PULP IN  
CONNECTION WITH THE BLEACHING OF  
CHEMICAL PULP

DECISION ON  
PETITION TO REVIVE  
UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 18 January 2006 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that the "entire delay from when the national phase was scheduled to be filed and the filing of this application was unintentional" has been interpreted as meaning that "the entire delay in filing the required reply from the due date for the reply until the filing of this petition under 37 CFR 1.137(b) was unintentional" as required by 37 CFR 1.137(b)(3) at the time of filing this petition. If this is an incorrect interpretation in view of the rules, petitioner is required to promptly notify this office.

A review of the application file reveals that the basic national fee of \$300 has now been provided. The required petition fee of \$1500 was also paid. Thus, the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office for further processing, including issuance of a Notification of Missing Requirements indicating that an oath or declaration, in compliance with 37 CFR 1.497(a) and (b), is required.
